

Marketing:

- Creating Flyers & Passing them Out
- Creating a Instagram

Nyla Linnen

People:

- Advertising to Students
- Talking to maintenance personally
- Getting help from advisors that'll know who to contact

Nyla Linnen

Leadership Structure:

- Assigning Presiedents/VP
- General Leaders to keep things in order
- Someone in charge of marketing

Nyla Linnen

People:

- Students
- Maintenance Workers
- Higher Powers
- Possibly an advior that can help guide us and keep us as students in the right direction.

Nyla Linnen

Feedback from Users:

- Getting Feedback from Students themselves
- Feedback from Maintenance to understand their side

Nyla Linnen

How to receive feedback:

- Creating polls on social media
- Creating a student survey

Nyla Linnen

Hurdles:

- Getting support from students
- Getting maintenance to come out and listen to our concerns and addressing them
- The issue becoming to big of an issue to be resolved.

Nyla Linnen

Solutons:

- Continue pushing the issue until someone listens and gets involved

Nyla Linnen

Long-term Support:

- Having a high population of Freshman aware of this issue so the program can be continued until the problems are fixed.
- Understanding how students can help maintance address our issues easier.

Nyla Linnen

Groups:

- Turning this issue into a club/organization so students can express their concerns
- Bringing in some people in the Maintenance department to listen to the concerns of Students
- Creating a GroupMe group chat for easier communucation.
